IMPORTANT

If you plan to take the CWI Prep Course and AWS Part B Exam at WTTI, you must:

1. Submit your Course Registration Form and payment to WTTI.
2. Once you are registered for the course, you will receive the Exam Site Code which is required on the AWS Exam Application.
3. The AWS Exam Application can be completed online at https://awsprodportal.aws.org. Non-portal applications will be charged an additional $125 nonrefundable fee.
4. Instructions will be provided for completing the AWS Exam Application and using the Exam Site Code.
5. The Exam Application and exam fee must be submitted to AWS by the deadline, which is six weeks prior to the event start date. The AWS portal is available 24/7 for submitting exam applications.

The AWS Part B examination will be administered at WTTI on the Sunday following each 6 day course.

The AWS Part A and Part C examinations must be taken within 60 days after Part B. Part A and Part C must be scheduled and taken at a Prometric Test Center (computer based testing). Locations can be found at https://www.prometric.com/test-takers/search/aws.
